CORPORATE PROFILE

Introduction

Our firm is a multidisciplinary and dynamic partnership. The firm carry out professional practice as regulated by the code of conduct of the Association of National Accountants of Nigeria (ANAN) and Association of Financial Analyst of Nigeria (AFAN). The activities of the firm covers auditing and accounting, financial consultancy, taxation, business management, restructuring & takes over and accounting & information technology consultancy, accounting software installation and training. All these have been developed into specialized units within the firm and are being managed by specialists and coordinated as inter disciplinary entities.

As a firm of Certified National Accountants, we are active in all the activities of ANAN and its affiliates. These include the Financial Reporting Council, the International Accounting Standards Committee, and the International Auditing Practices Committee of International Federation of Accountants. This enables us to keep abreast of the latest trends in the professional field and thus to provide services to our clients in line with the most recent developments and standards.

Mission Vision & Value

Mission Statement

Our mission is to achieve the highest professional competence in the practice of Accounting, Audit, Taxation, Financial and IT Consultancy.

Mission Objectives

- To carry out activities with all sense of Professional Competence
- Ensure our clients compliance with new Professional Pronouncements and other Legal and Statutory Provisions
- Ensure that our services are both effectively and efficiently meet the desired objectives of our clients
- Provide relevant, timely, and cost effective services

Vision Statement

Our vision is to change the perception of our clients and their staff from looking at auditors as interferers/enemies to partners at ensuring that desired objectives of clients are achieved at minimum cost

Value

In carrying out our Mission, we share certain beliefs and values as under:

- The primary focus of our firm is to provide excellent service to our clients in accordance with generally accepted Auditing Standards;
- We will be highly committed to the highest degree of fairness, integrity and ethical conduct in the performance of our Mission;
- Our relationship with the client staff should be characterized by respect, cooperation, patience and openness;
- We will maintain the highest level of independence in carrying out our assignments.

Technical Committee

There is a standing technical committee of the firm, comprising the partners, the managers and all the in-charge auditors. The duty of this committee is to appraise each assignment to ensure quality and conformity with universally accepted accounting and auditing conventions and standard as regards methodology, report contents and presentation.

Personnel Resources:

The personnel resources of the firm are as follows:

Organisation

A partner takes charge of every assignment together with all the allocated members of staff right from the planning stage up till conclusion. The engagement partner has prime responsibilities for the work. A senior member of staff who must be familiar with the client's operations will closely assist the engagement partner. The other partner of the firm would always be available for consultations on technical and professional issues that may arise during an engagement. To ensure high standard, we assign, as members of an engagement team, individuals who are most suitable by training and experience in the firm. Members of the various disciplines within the firm will provide required support during each assignment in their areas of specialty as well as being available to identify opportunities for improvements in the planning and execution of all assignments. This way, we maintain high standard of services throughout an engagement by the use of team approach.
